

Brockport Ecumenical Food Shelf
2017 Annual Report

Dear Friends,

Once again, with your very generous support, we have been able to give assistance to all who came to the Food Shelf for help last year.

With your donations of food, money, and your time, here are some of the things we did during 2017:

- provided enough food for at least 12 meals per individual served each month
- distributed extra food to families with children during the summer break
- continued support of the Backpack Program in the Brockport School district which provides extra food every weekend and for the various school breaks to children identified as food insecure
- gave out extra food items in November for Thanksgiving dinner and in December for a special holiday breakfast to all families served
- provided fresh fruit and vegetables every month of the year
- provided eggs, cheese, and yogurt to all families
- our enthusiastic volunteers were always available for whatever needed to be done including receiving donations, stocking shelves, and helping families select items from our shelves
- delivered food to families who are unable to come to the Food Shelf

Thank you to all for your support of the Food Shelf throughout the year.

Together we can solve hunger in Brockport.

Sincerely,

Kathy Hayes
Executive Director
